Date and Venue:

For US venues, you will be expected to arrive one day prior to the start date of the Exchange as listed on the brochure, in order to attend the Welcome and Industry Overview briefing which is usually held on the start date. US Exchanges will usually conclude at lunchtime on the final date listed. Please check your brochure.

For UK venues, please check your brochure to time your arrival in order to attend the Welcome and Industry Overview briefing. This is usually held the evening prior to the start of the first full day of sessions. UK Exchanges will usually conclude at the end of the last day at approximately 17.00/5pm.

The Inner Market: MediaXchange provides a range of specialised and personalised services designed for each individual client. These "Inner Markets" may be designed to run in parallel to an Exchange schedule or as a separate individual schedule of sessions, meetings or workshops.

For events held in more than one city, or if we are designing an individual schedule for you, please refer to the dates in the brochure or individual written agreement with you or your company and discuss with the MediaXchange London office if any clarification is needed.

Visas:

Participants are responsible for their own travel visa requirements.

Cost & Terms:

Fees: The total fee for the Exchange, Event or The Inner Market is listed on the Brochure or individual written agreement with you or your company. It will also note if a deposit is required. If you are taking advantage of one of our occasional, limited time, special offers, then you will need to pay in line with the offer conditions.

Deposit: When a deposit is required, the amount of US\$1,450 per person for US Exchanges, or £1000 per person for all other Exchanges, will be due with your initial registration unless alternative payment terms have been agreed in writing or as part of an individual agreement. We request you pay any deposit by credit card at the time of registration.

Terms:

The balance of the fee is due on receipt of our invoice, which will be issued immediately upon your registration or on receipt of our agreement with you and will detail the payment terms and dates. The invoice will require you to make payment by direct transfer at least 12 weeks in advance of the Exchange, made payable to the bank account details on the invoice. Any payments made by credit card will incur a 5% extra charge to cover the cost of the credit card transaction.

Late Payment: Under the late payment commercial debts (Interest) Act 1998, we are entitled to charge interest on late payments at a rate of equivalent to 8% above the Bank of England base rate from the date our terms elapse.

If full payment (or proof of wire transfer) is not received 12 calendar weeks prior to the start of the Exchange then either your credit card will be charged for the outstanding amount, plus a 5% charge to cover the cost of the credit card transaction, or you will be notified that payment must be made immediately in order to avoid cancellation of your participation in the Exchange and for MediaXchange to continue to work on and deliver the Exchange on the agreed terms.

The fee includes: hotel accommodation, certain meals (when taken with the group and/or hosted by MediaXchange) and the ground transportation between Exchange schedule meetings.

VAT: MediaXchange supplies media, management and marketing consultancy services, bespoke MediaXchange Events or Exchanges that take place in the UK or in another country. MediaXchange is a VAT registered company and therefore subject to the laws and regulations applying to the charging of UK VAT. The place of supply and the nature of our client will determine whether or not VAT will be charged and this will be explained at the time of booking. Please include your VAT number in the space provided on the registration form if you are a member of the EU. Our invoice will confirm details of any VAT due.

Flights: Participants are responsible for their own flights to the host city of the Exchange, transfer flights between host cities if the Exchange includes more than one city, and ground transport between airport/s and Exchange hotel.

Extras: Costs to be considered beyond the fee of the Exchange include meals, hotel charges such as phone calls, wi-fi, personal car parking, laundry and other personal incidentals.

Additionally, any parking or traffic violation ticket, fine or penalty, which may be incurred during the course of your Exchange or visit, must be settled by the participant prior to departure. If these costs are not settled and MediaXchange Ltd becomes involved in any settlement then the costs will be charged to the credit card details you provided on Registration, along with a service fee to MediaXchange Ltd. of the higher of £75 or 10% of the amount to cover costs.

Cancellation:

If you cancel within 10 calendar weeks of the Exchange, the full fee will be forfeited unless a replacement for an Exchange taking place in the same year and acceptable to MediaXchange Ltd., can be provided by you. If you cancel before this date, MediaXchange Ltd. will retain the deposit or charge 20% of the total fee, whichever is the higher figure, to cover administration costs.
